REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2019/1352

To Wireframe Studio
Studio 1
Menzels Court
301 Ecclesall Road
S11 8NX

Proposal Removal of existing timber garage structure and erection of proposed double garage, with games room and roof terrace above.

At Belle Royd Farm, Folly Lane, Thurlstone, Sheffield, S36 7QF

Permission is refused for the proposals which were the subject of the Application and Plans registered by the Council on 13 November 2019and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

1	The site lies within the Green Belt on the approved Barnsley Local Plan, wherein it is the policy of the Local Planning Authority not to permit development except in very special circumstances for purposes other than those set out in the National Planning Policy Framework. The proposed development would be contrary to national policy, and to Local Plan Policy GB2 'Replacement, extension and alteration of existing buildings in the Green Belt' in that the total size of the proposed and previous extensions would exceed the size of the original dwelling, and in the opinion of the Local Planning Authority no very special circumstances exist that would justify the granting of planning permission in this instance.
2	In the opinion of the Local Planning Authority, the proposed development is contrary to Local Plan Policy D1 'High Quality Design and Place Making' and Policy GB2 'Replacement, extension and alteration of existing buildings in the Green Belt' and Supplementary Planning Document 'House Extensions and Other Domestic Alterations' in that the design of the building, having accommodation in the roof space, an eaves height in excess of 2.5m and numerous window and door openings, does not reflect a domestic garage. As a consequence, the garage would appear an incongruous and unsympathetic addition that is of an excessive scale for a building of this type and would therefore cause harm to the openness of the Green Belt and the visual amenities of the locality.

As this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice [reference], if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.*****

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within:

Appeals can be made online at: https://www.gov.uk/planning-inspectorate If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
