Design and Access Statement for development at

37, High Street, Worsbrough Dale, Barnsley, S70 4SE

Proposed new shop frontage

Proposal.

The proposal is to reopen existing door and window display area.

Scale.

The new shop frontage is within design guide lines.

Appearance.

The new frontage will be construted of U.P.V.C. materials (material matching existing building). The new section of walling will match existing (painted rendering).

Access.

The access will use the previous entry point (which will cater for disabled persons).

Conclusion.

The proposals principals have evolved following assessment of the charactor and structure of the building. It is aimed at trying to reinstate some of the buildings proportions and improving its visual attractivness.
