PARKING PROVISION

18 WALKER ROAD
TANKERSLEY
BARNSLEY
S75 3DB

- **Parking Provision**

Parking is tight in the area so the proposal will benefit in removing vehicles from the highway. Existing gated access provides security and the newly proposed garage will have the potential to house two vehicles with further space to provide off road parking on the driveway in front of the garage.

Existing parking spaces = 1No.

Proposed parking spaces = 3No.
