Good afternoon,

The response I have received is that it could come under class 5 of the document below, however we will need dimensions to determine whether it fell into that class. If it is larger than the limitations, advertisement consent will be required.

## Interest In the Land

Does the applicant own the land or buildings where the adverts are to be placed?

With respect to the Authority, is the applicant and/or agent one of the following:

(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes  
 No
