Dear Sir,

Following our meeting please find attached a copy of the standard application form for works to trees covered by a Tree Preservation Order (TPO) and trees within a Conservation Area, [redacted]

The works we discussed on site were to crown lift the Silver Birch tree T1 to 4m and reduce it away from the property to give 2-3m clearance from your house. The small Silver Birch T2 was to be crown lifted to 4m, the next Silver Birch (T3) was to be removed as was the Blue Atlas Cedar (T4). Finally the Beech tree T5 is to be crown lifted to 4m, crown cleaned and lightly crown thinned by 10%.

I hope you agree that these works are in line with what was discussed but if you require any further information please do not hesitate to contact me.

Yours faithfully

[redacted]
