Reference

Date (must be pre-application submission)

Details of the pre-application advice received

Initial phone call and follow up email between Agent (Claire Barrett-Mold) and Antony Wiles (record of email exchange is provided).

Advice received was that the uPVC windows would be unlikely to receive retrospective permission and an application for replacement windows of a type and design that the Planning Authority will approve is the most straight forward way to progress.

Additionally it was confirmed that 8 Thurlstone Road applied for listed building consent in 2016 to replace all windows and this was approved with the condition for only timber to be used.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

 No
