Proposal Erection of agricultural storage building
At Muscle Hill Farm, Lee Lane, Royston, Barnsley, S71 4RT

Permission is refused for the proposals which were the subject of the Application and Plans registered by the Council on 13 February 2019 and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

- 1 In the opinion of the Local Planning Authority the development of this site for purposes not set out in the site specific policy relating to MU5 would be detrimental to the future comprehensive development of the site. Furthermore, the proposed building is not considered to be compatible with neighbouring land and will significantly prejudice the current or future use of neighbouring land, contrary to Local Plan policy GD1 'General Development'.
- 2 In the opinion of the Local Planning Authority, owing to the siting and scale, the building would detract significantly from the character of the surrounding locality. Adjacent to the site there are numerous large storage buildings which collectively have a cluttered and cumbersome appearance. The addition of a further building within such close proximity would add be detrimental to the openness, character and appearance of the locality. This it is considered to be contrary to policy D1 'High Quality Design and Place Making' which states Development is expected to be of high quality design and will be expected to respect, take advantage of and reinforce the distinctive, local character and features of Barnsley.
- 3 In the opinion of the Local Planning Authority, the proposed building would be materially detrimental to the amenities of the occupants of the neighbouring convert stable block to the East by reason of noise and disturbance, contrary to Local Plan Policy GD1 'General Development'.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
