FAO Bev Adams

Application No. 2009/0438

After speaking on the telephone we understand you need us to submit the sizing of the proposed MUGA to go with the proposed layout. Please find attached copies of the sizing as submitted to us from 'Lightmain'.

Re the 'Design and Access Statement' we wish to state that access to the MUGA which is to be placed on our school playing field is to be accessed via the school gate off Hunningley Lane, Stairfoot, Barnsley. The design is as recommended by 'Lightmain' as the most suitable design and materials for the school.

The Agricultral Holdings Certificate has now been signed and completed.

We now hope this is all complete and in order.

Thank you

Mr R Bowley

R Bowley

Headteacher
