Following your email on the 6th of May with regards to the change of use on Unit 19 Aldam House Industrial Estate, Wombwell, Barnsley, S73 8HA.

We can confirm there will be NO external alterations to the property.

Our hours of operation will be 9am to 9pm everyday. However training will vary between these hours and only maybe one/two people on site some of the time.

We attach the plan with the parking shown. The industrial park as overspill parking currently used by all the units when necessary. And the busier times of our business will mean most of the other businesses will be closed. Also we will utilise the two spaces we have allocated to our unit at all times first.

Please confirm if you need anything further.

Kindest regards

Neil Losada
