

PROFESSIONAL RECORDING STUDIO EXPERIENCE

Are you always singing in the shower?
Do you think you have a hidden talent?

If so this may be the perfect experience for you.

- *No previous experience is required*
- *Sing the vocals of your favourite song, or even your own song*
- *Receive your own CD made at a professional recording studio*
- *Perfect for singers, musicians, solo artists and duets*

You will arrive at **MissB's Studios** and have a look around. We will then discuss the track you would like to work with, which could be a backing track or your own song.

You will then have plenty of time once you take to the mic to make sure we get good vocal takes. Help and guidance will be at hand should you need it throughout the whole experience so we can make sure we really make the best out of your talents.

Your final recording will be mixed professionally and sent onto you within 7 days.

Up to 2 people singing (Instruments can also be recorded on this session).

THIS RECORDING SESSION WILL LAST UP TO 2 HOURS.
