All dimensions and sizes to be verified by the Contractor on site.  
Drawings to be read in conjunction with engineers details.  
The structural engineers details take precedence over the  
architectural drawings.

No dimensions to be scaled from this drawing. Contractors must work  
to figured dimensions.

Precision Plan Drawing will have no liability for any errors or  
inaccuracies.

CDM REGULATIONS 2015  
The client must abide by the Construction Design and Management  
Regulations 2015. The client must appoint a contractor, if more than  
one contractor is to be involved, the client will need to appoint (in  
writing) a principal designer (to plan, manage and coordinate the  
planning and design work) and a principal contractor (to plan,  
manage and coordinate the construction and ensure there are  
arrangements in place for managing and organising the project).

Domestic clients  
The domestic client is to appoint a principal designer and a principal  
contractor when there is more than one contractor, if not your duties  
will automatically transferred to the contractor or principal contractor.

Further information can be obtained from the HSE following this link:
