

PLANNING CONSULTATION RESPONSE

Application No	2026/0753
Address	St Mathews Building, High Street, Royston, Barnsley, S71 4RA
Date of Consultation Reply	07/10/2026
Name	Cllr Stefan McCrum

Consultation Assessment and Justification

Hi there,

I would like to object to this application for 15 one-bedroom apartments in the former church building on High Street.

Royston already as a lack of amenities and community activities, especially for children. And the current dance studio gives the children in the area something, a club and a community to be a part of and is even like a family to the children that go there. It is home to some high achieving performers that travel the country and compete at a high level.

Also, the existing infrastructure is not suitable for the number of potential tenants. There is nowhere to park cars if they all can drive and it will put further demands on Royston's current services which are already very stretched.

Many thanks.

Cllr Stefan McCrum
