Dear Sir/Madam

**APPLICATION NUMBER 2010/1043
EXTENSION TO FOODSTORE, NEW DELIVERY AREA, ADDITIONAL PARKING
AND LANDSCAPING WORKS AT NETTO FOODSTORE, 5 HIGH STREET,
GOLDTHORPE**

I am writing with regard to the above application. Consultation with the neighbouring residents highlighted issues regarding unauthorised access onto part of the application site via the gardens of the properties on Market Street. Please find enclosed four copies of a revised layout plan which shows a 2.1m high paladin fence to be erected along the full extent of the eastern boundary and returning along part of the southern boundary to fully secure the landscaped area of the site in order to prevent any potential antisocial behaviour taking place at the rear of the properties on Market Street or Ayrton Villas.

I trust that this is satisfactory and look forward to receiving confirmation that the application has been validated.

However, should you require any further information, please do not hesitate to contact me on the numbers below.

Yours sincerely

**Rachael Martin MRTPI
