In terms of resubmission, the policy landscape at Barnsley hasn't changed in this timescale (Local Plan adopted in 2019). The only thing I think would be tricky is that we would likely need an updated ecology report/information to support the development. We'd definitely need information in regards to bats/birds, and the potential for roosting nests, and some mitigation (i.e. installation of bat boxes and construction hours).

## Authority Employee/Member

**With respect to the Authority, is the applicant and/or agent one of the following:**

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes  
☒ No

**\* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.**

**\*\* "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.**

**NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.**
