5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

We are hoping to change the retail space to a licence bar with seating for 40 and standing for 20 with the addition of a bar area and 2 W/C
We are looking at keeping the charm of the arcade within the bar furnishing it to a high standard and offering a premium service with a small range of quality drinks including hot fresh coffee and tea along side soft and alcoholic beverages.
We intend the work to take around 6 weeks and will be sympathetically refurbishing the outside to keep the character of the Victorian arcade ,whilst the inside will have a full plush renovation to fit with the elegant feel of its location
Live solo acoustic artists will perform occasionally and only soft background music will be played to create a warm delicate atmosphere for customers to sit relax and enjoy their time with us .We have a small bar on Shamble street with a quiet atmosphere and whilst we are looking to keep the same morals and values we will be trying to bring its own unique feel as it is in a rather special location being within The Victorian arcade. We work well with our neighbours in Shambles street and will be obviously hoping to be doing the same on The Arcade .Keeping good relations is paramount to all concerned if we want the Arcade to become a place people want to visit whether it be for retail , leisure or pleasure .
Due to the access problems all exterior work will take place out of hours or on Sundays to avoid any disruption to the public or surrounding businesses
