Dear Ed

RE – PROPOSED TREE WORKS APPLICATION AT 2 HEMINGFIELD ROAD WOMBWELL S70 0LX

Please find attached an application to carry out work to trees that are subject to a Tree Preservation Order at the above property.

The proposed tree removal comprises of the items that were discussed at our earlier site meeting. I have detailed a scheme of replacement planting at appendix 3. The mix of tree species shown reflects our objective of seeking to reduce the dependence on a predominantly single age structure of Sycamore. As such it is intended in future years following the successful establishment of the proposed planting that additional selective felling and replacement could be considered. This planting will be carried out in autumn 2010.

Do not hesitate in contacting me should you require further assistance in this regard.

Yours sincerely,

[redacted]

Stephen Waterson
