PLANNING STATEMENT FOR THE COMVERSION OF 9 HIGH STREET FROM A RETAIL UNIT TO BECOME PART OF 11 HIGH STREET SHAFTON BARNSLEY S72 8NF.

The property is a two-storey detached house constructed around 1940 it was. This has been the same family ownership for over 50 years and ceased being used as a shop 30 years ago. In theory it could still be used as a shop but it only has electricity, everything else is shared with the house. Mrs. Haworth id now in her 80s and has been landed with a large rates bill for the shop which she can't afford on the state pension. Hence the application to convert the shop back into the residential property. We are depriving no one of anything they haven't been deprived of for the last 30 years it is just an attempt For common sense to prevail and am old lady to live out the rest of her life in the house she has lived in for 50 years without the extra burden of paying business rates that used to be exempt but no loner are.
