4. Description of Proposed Works

Please describe the proposed works:

Demolition of existing outbuildings and construction of single storey side extension. Understandably the councils requirement of an offset of 0.5m is required to the front elevation to remove the old to new brick aesthetics, however in this scenario we are proposing to re-use the bricks from the demolished extension for the front elevation to ensure the front elevation ties in with the existing. I would therefore request that a view is taking on the existing policy.

Has the work already been started without consent? Yes No
