To The Chief Planning Officer, Barnsley Metropolitan Borough Council

Dear Sir/Madam

Electricity Act 1989

Application is being made to the Secretary of State for the Department of Trade and Industry for his consent to the development described overleaf. The Secretary of State will at the same time be requested to direct that planning permission for this development shall be deemed to be granted. The consent and the direction may be given subject to conditions.

To assist the Secretary of State to determine the application **The District / Borough Council is requested to return to me two copies of this Form with Part 1 Certificate and Part 11 completed and signed together with one certified plan.**

Department of the Environment Circular 14/90 (Welsh Office Circular 20/90) (Department of Energy Circular 1/90) describes this procedure and the reason for it.

Yours faithfully

 Anne Dixon
 Wayleave Officer (For and on behalf of the applicant).

PARTICULARS OF PROPOSED DEVELOPMENT AND REPRESENTATIONS

(To be completed by the applicant)

Application is being made

- (a) for consent under section 37 of the Electricity Act 1989 to install or keep installed an electric line above ground.
- (b) for a direction under SECTION 90(2) OF THE TOWN & COUNTRY PLANNING ACT 1990 that planning permission for the proposed development be deemed to be granted.

1. Particulars of proposed development. (These particulars should be accompanied by such plans as may be necessary to enable the local planning authority to identify the land affected by the proposals and to appreciate the nature and extent of the proposed development and by a copy of the environmental statement if the applicant has prepared one.)

Low Voltage Overhead Line, Grime Lane, Holmfirth, West Yorkshire

In order to provide a supply of electricity to The Pond House, Hog Close Lane, Holmfirth we find it necessary to add a new line to the existing overhead line therefore making the line a multi service line. The overhead line will be approximately 75 metres along the route indicated approximately on the attached copy plan number ADIX 15.11.11.

(subject to a reasonable deviation as may be found necessary, such deviation not to exceed 50 metres on either side of the line)

The overhead line will consist of three overhead wires supported on single wood poles.

2. Particulars of any representations or objections which have been made to the applicant.

No objections have been made to the proposal.

3. Particulars of the applicant's compliance with his duty under paragraph 1 of Schedule 9 to the Electricity Act 1989.

Every care has been taken to minimise the visual impact of the overhead line by crossing the public highway at 90 degrees and keeping the overhead line visibility to a minimum.

PART II – INFORMATION AND OBSERVATIONS

(To be completed by the District / Borough Council)

Planning Reference No.

1. Names of interested parties consulted about the proposals with details of any observations received.

2. Particulars of any representation, which have been made to the local planning authority objecting to the proposals.

3. Have any general or specific restrictions been imposed by any authority on development of the land affected by the proposed development.

4. Does the proposed development involve the demolition, alteration or extension of a building of special architectural or historic interest included in a list compiled or approved under section 1 of the Planning (Listed Buildings and Conservation Areas) Act 1990?

5. Do the local planning authority agree that the proposed development should be approved by the Secretary of State for the Department of Trade and Industry as described? (If the answer is no, please answer question 6.)

6. Would the local planning authority be prepared to agree that the proposed development should be approved subject to modifications or conditions? (If so, specify the modifications or conditions proposed and state whether they are acceptable to the applicant.) (Note: the precise form of any modifications or conditions subject to which the consent or direction given is a matter for the Secretary of State, but he will have regard to the form of words used by the local planning authority.)

7. Does the local planning authority consider that the application should be accompanied by an environmental statement in accordance with the Electricity Works (Environmental Impact Assessment (England and Wales) Regulations 2000? (If so, please specify the particular points arising from the application which have caused the local planning authority to take this view.)
