TOWN AND COUNTRY PLANNING ACT 1990

TOWN AND COUNTRY PLANNING (CONTROL OF ADVERTISEMENTS) REGULATIONS 1992

APPLICATION NO. 2018/0971

To Philip Fletcher
302 New Road
Staincross
Barnsley
S75 6GP

Erect 1 no. illuminated fascia sign, 1no. non-illuminated fascia sign and 1no. illuminated projecting sign.

32 Hornby Street, Worsbrough Common, Barnsley, S70 4DA

Approve the non-illuminated fascia sign and the illuminated projecting sign.

Informative(s)

- 1 The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore the consent of all relevant landowners is required before proceeding with any development including that of the Council as landowner.

If it should transpire that the applicant does not own any of the land included in this consent then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.

Refuse the illuminated fascia sign.

Refuse:

- 1 In the opinion of the Local Planning Authority, the proposed illuminated fascia sign would materially harm the appearance of the street scene, by reason of its size, siting and undue prominence and therefore would be contrary to Core Strategy Policy CSP 29 'Design', Saved UDP policy BE6D and Supplementary Planning Document 'Advertisements'.

Informative(s)

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

Please be aware that the Council monitors construction sites and open land within the vicinity such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- *a fine of up to £50,000 and*
- *up to six months imprisonment on conviction*

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of the approved development is disposed of via approved methods and that documents are retained to prove this.

Joe Jenkinson
Head of Planning and Building Control
