Will the extension:

- **If the proposed extension would not extend, as detailed above, by over 3 metres (or over 4 metres for a detached house)**
Permitted development rights may still apply, subject to all the other eligibility criteria (including some not covered by this form).

The size of proposed extension means that you will likely need planning permission to build it.

In either circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.
