Dear Candy Day

I refer to the above discharge of conditions application. I can now confirm that the submitted information is acceptable and that the following condition is discharged:-

7 (Highways Condition Survey) – Highways have confirmed that a post-works highway condition survey has been carried out which identified an area of Saunderson Road that required resurfacing; these works have now been completed.

As such, the condition is able to be discharged.

Please note that the conditions require the development to be carried out in accordance with the approved plans and details, unless otherwise agreed in writing by the Local Planning Authority.

If you require any further advice or information please do not hesitate to contact me

Yours sincerely
