The Council is required by law to make all letters received available for inspection and copying by any member of the public including the applicant.

The Council can only take into account planning matters. For example, this might include the effect of the proposal upon the enjoyment of your home or garden; on the appearance of the surrounding area and on highway safety. The Council cannot take into account matters such as the effect of the proposal on individual property values, ownership disputes or issues covered by other legislation.

Yours sincerely
