F.A.O. Matthew Smith

Dear Mr Smith

2016/0902

Agricultural Building
St John's field Folly Lane
Thurlstone S36 7QF.

Further to our recent conversation
with regard to the above enclosed is
a revised plan showing the proposed
building reduced to three bays instead
of the original four bay building.

I trust this will enable approval
to be issued at early opportunity.

Yours sincerely
C. Wilkinson
