28th May 2010

Dear Mr Bak,

Following our recent telephone conversation I am writing in regards to apply for planning permission to put a permanent extension to replace the existing metal container.

Please note that you may be contacted by the council to confirm your permission for this to go ahead.

Yours Sincerely,

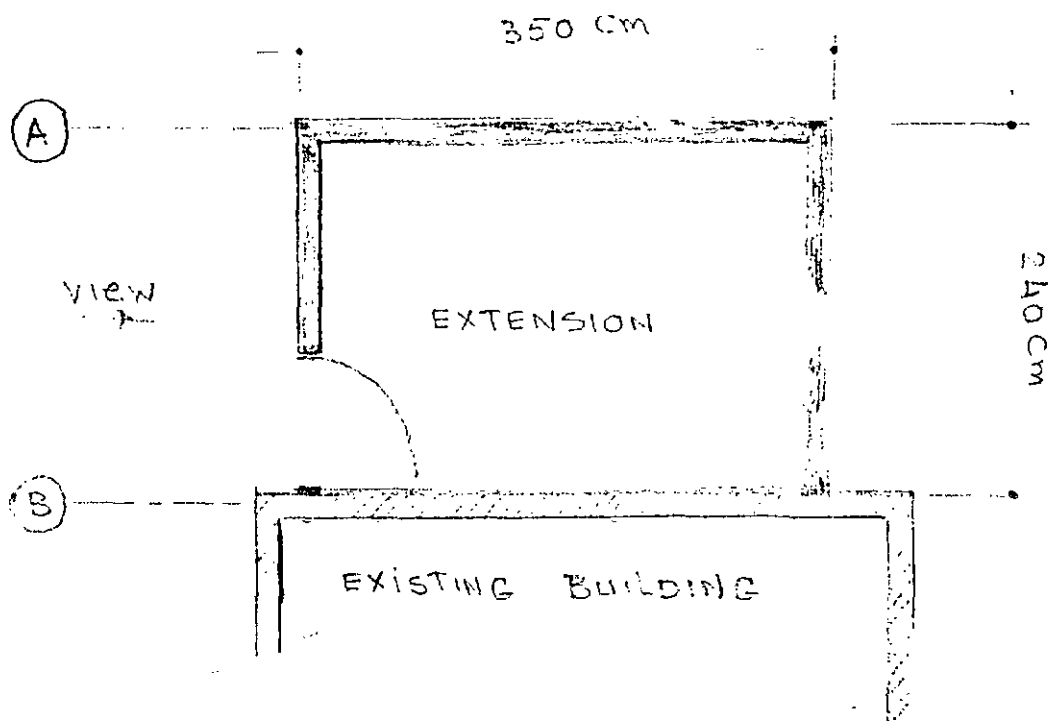

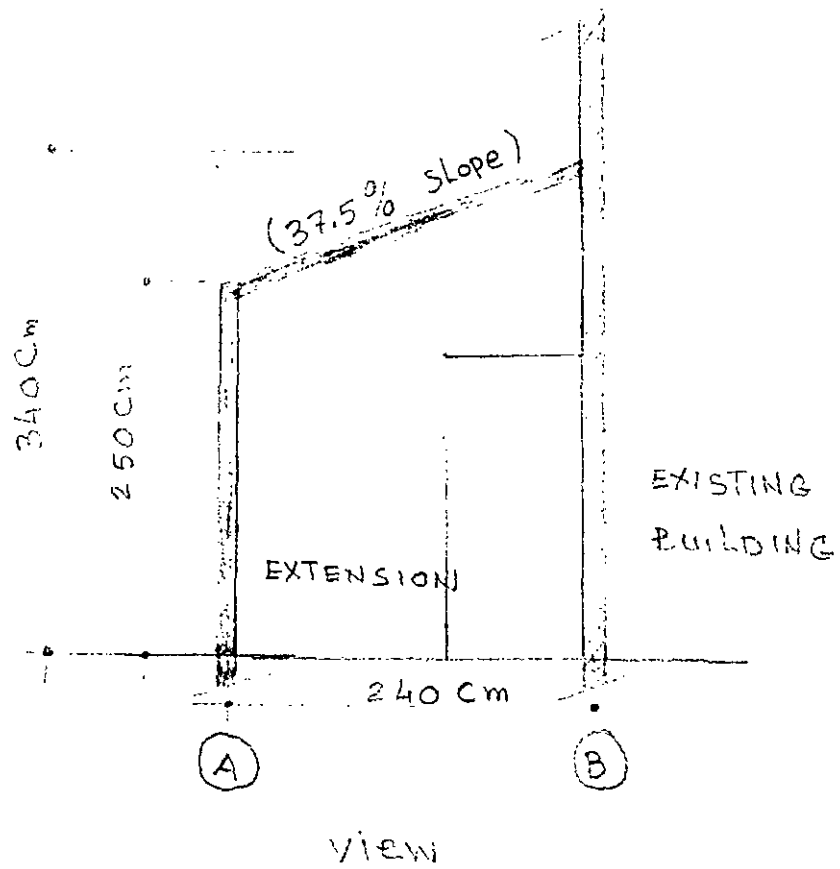

A large black rectangular box used to redact the signature of Mr. M.K. Rassouli.

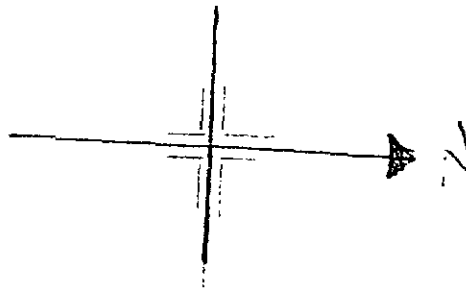

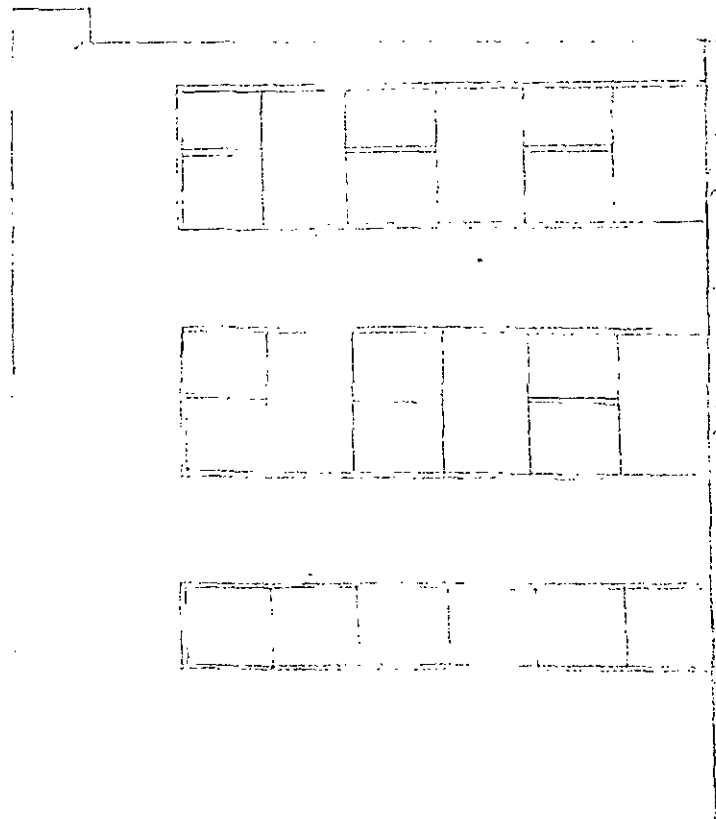

Mr. M.K. Rassouli

21/07/2009

Extension for Bistro Romanos

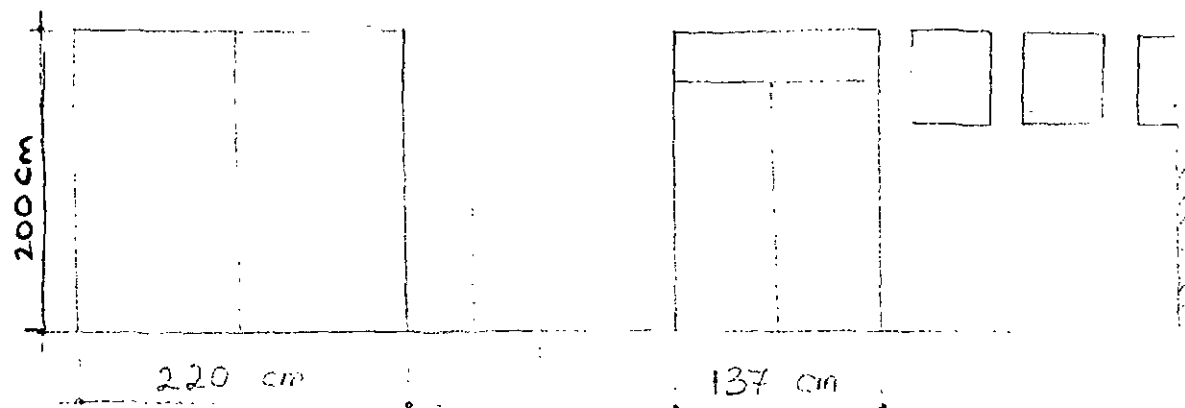

1. External construction will be of red brick to match external building.
2. Internal construction will be breeze block.
3. The roof will be slate or other material subject to the planners' requirements.
4. The floor will be concrete.
5. External wall will be painted over breeze block (no plastering or other material needed for storeroom.)
6. Electric is already existing in container. All necessary wire requirements will be met.
7. Ceiling will be left exposed roof slate or others and timber beams.
