

## Safety, Health + Environmental Information

In addition to the hazards / risks typically associated with the types of work detailed on this drawing, please NOTE the following advisory statements. Notes may relate to CONSTRUCTION, MAINTENANCE + CLEANING, and / or DEMOLITION; however this list is not exhaustive.

| rev | description | date | dr by | app by |
|-----|-------------|------|-------|--------|
|-----|-------------|------|-------|--------|

It is assumed that all works are to be carried out by a competent contractor working, where appropriate to an approved method statement.

A simple line drawing of a building facade. It features two rectangular doors side-by-side. The door on the right is slightly ajar, and a dashed line extends from its top edge, suggesting a path or a connection to another area. The drawing is minimalist, using only black outlines on a white background.
