REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2017/0898

To The Gateway Advisers Group
10 Lisle Court
Kingston Upon Hull
HU1 2LX

Proposal Formation of car park and associated access/egress

At Land to the north of Old Mill Lane, Old Mill Lane, Barnsley

Permission is refused for the proposals which were the subject of the Application and Plans registered by the Council on 20 September 2017 and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

- 1 In the opinion of the Local Planning Authority, the proposal fails to successfully eliminate the prospect of vehicles performing right turn manoeuvres into the site at the entrance. Further to this motorists who are not prepared to perform may be encouraged to utilise the bellmouth of the County Way junction located to the west of the site entrance. In recognition of the levels of traffic generation associated with the proposed use, particularly during peak times, the development is considered detrimental to highway safety and the free flow of traffic. The development therefore fails to meet the requirements of policy CSP 26 'New Development and Highway Improvement'
- 2 The application identifies that the sites egress would be taken through third party land, however, there is no evidence that a right of way has been secured and there is no guarantee that the land owner will permit a right of access in perpetuity. The inability to demonstrate safe egress arrangements is also considered to be contrary to the requirements of policy CSP 26 'New Development and Highway Improvement' which requires developments to demonstrate safe, secure and convenient access for all road users.

Please be aware that the Council monitors construction sites and open land within the vicinity such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- *a fine of up to £50,000 and*
- *up to six months imprisonment on conviction*

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
