The Town Clerk
Penistone Town Council,
St. Johns Community Centre,
Penistone,
Sheffield,

Dear Sir or Madam,

You will be aware that I have made Planning Permission to Barnsley Metropolitan Borough Council, in respect of an additional use of the building to the rear of your dwelling place.

I feel that even though there will be no change at all to the building, i.e. extensions etc and no more traffic usage than has been over the past five years, I would like for you to visit our premises, to allay any fears which I think you may have formulated due to the wording of the planning notice.

Therefore I cordially invite you to inspect our premises on a normal working day. to enable you to inspect the area of work and talk you through our systems. Also our recordings of this work will be available for you to inspect.

I have set aside a day, being Monday 18th November, 2002 - and from 8.30 am to 5.00 pm you are very welcome to inspect this site.

Yours sincerely,

[redacted]

Kath Wood
General
