

Houghton Main Miners' Welfare - Sports and Social Organisation
Application for Planning Permission

Design and Access Statement :

Reason for Extension - to increase the existing footprint and develop activities, and facilitate increased community involvement and partnership working.

Proposed Use - community social welfare organisation and sports recreation (the use remains unchanged).

Access & Standing - remains unchanged.

Design - the design/construction of the proposed extension would be in direct contrast with the existing, i.e : the brick finish, profile roof, windows and doors etc. would be in keeping.

N.B. I have been advised, by a member of your department, that this is the extent of the information required when considering the proposed extension will not effect the use of the existing building or the grounds.
