NOTES :-

1. The accuracy of this drawing is dependent on the original specification. Before use of this information the user should consult F & S Surveys Limited and satisfy themselves of the detail and accuracy before undertaking any works.
2. All reasonable care has been taken in the survey detail represented on this drawing but any discrepancies must be reported to F & S Surveys Limited immediately.
3. This survey provides position and description of features in relationship to control stations and in no way implies legal title or boundary ownership.
4. All levels surveyed using Topcon GPRS system, coordinates and levels to National Grid GPS
