Dear Lee,

**Discharge of condition 16 (highway condition survey) of application 2018/1564
(Demolition of existing building and erection of 41 dwellings with associated and
landscape works)**

Former Foulstone School Site, Nanny Marr Road, Darfield, Barnsley, S73 9AB

Thank you for your application to discharge 16 (highway condition survey) of application 2018/1564, I can confirm that Highways have completed a survey of the highway on completion of the residential development and no damage was observed.

None of the new estate road was surveyed and any damaged caused to this road as a result of the commercial development will need to be picked up by Partner Construction/ Together Housing prior to adoption.

In addition, we have now received the appropriate fee for this survey and as such the condition is now discharged.

Yours sincerely

Hannah Andrew
