

SHORT BREAK CARE HOME
34 VERONA RISE, DARFIELD, BARNSELEY, S73 9QW.

Planning Statement for the Change of Use of an existing dwelling into a
Childrens short-break provision care home

- With reference to application PP-13620947, for the change of use to an existing dwelling into a short stay children's care home provision.
- The short break care home will accommodate a maximum of 3 children at one time, this will be on an ad-hoc basis.
- There will be a minimum of 4 carers throughout the day, reducing to 2 members of staff to facilitate the night shifts, this is on a rotating shift pattern. Shifts are as follows:
 - Day Shifts: 07:00 to 22:00
 - Night Shifts: 22:00 to 07:00
- Accommodation will be provided within the home for members of staff undertaking the night shift, including one waking night staff member. 3no separate rooms will be retained for the children, with the final of the 4 existing beds utilised for the overnight staff.
- A registered manager will be active within the care home Monday to Friday during the day shift, during the hours of 09:00 to 17:00.
- Alterations to the existing fire alarm system will occur to ensure the existing dwelling operates in accordance with building regulations as shown on supporting drawing "**34 Verona Rise-XX-ZZ-DR-A-0003 Proposed Fire Plan**"

The application relates solely to the change of use from a dwellinghouse into the new care home. No signage application has been included within the proposal and should the client require signage, a separate application will be made to this effect.
