Management Plan - Staff and Client Parking and Drop Off

Due to the nature and location of our business we envisage that a large proportion of our families and workforce will live locally and will commute in a variety of ways and not just be reliant on individual cars. Our business will employ a total of 15 members of staff and they will not be on the premises at the same time. There are various parking options in the vicinity. These include 27 parking spaces at the Miners Welfare car park which also has additional overspill spaces, the Dil-Raj car park is located 50 meters from the property and has ample parking, is free for the first hour and then there is a charge of £3.00 for the remainder of the day, and the Co-Op which offers 90 minutes free parking. Management will stipulate these parking options to our families and staff.

As a business we will have staggered drop off times to ensure the safety of our children.
