APPLICATION NO. 2012/0589

To Easdale Lane
The Cottesmore
Carleton
Pontefract
WF8 3RW

DESCRIPTION Variation of condition 2 of 2011/1401 to allow alteration to size and external appearance of previously approved building.
LOCATION Compass Engineering Ltd., Whaley Road, Barugh Green, Barnsley, S75 1HT

Permission is granted for the proposals which were the subject of the Application and Plans registered by the Council on 31 May 2012 and described above.

The approval is subject on compliance with the following conditions:

1 The development hereby permitted shall be begun before the 6th January 2015.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.

2 The development hereby approved shall be carried out strictly in accordance with following plans and specifications as approved unless required by any other conditions in this permission or if prior written consent is given by the Local Planning Authority to any variation:-

- Site Plan (Ref - 2005/1E, dated 16th May 2012; Scale - 1:200)
- Proposed New Offices (Ref - 2005/2D, dated 16th May 2012; Scale - 1:100)
Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP29, Design.

3 Before the development is brought into use, the part of the site to be used by vehicles shall be laid out in accordance with the approved plan (Ref - 2005/1A) surfaced in a solid bound material and marked out. Thereafter the area shall be permanently retained for vehicle use.
Reason: To ensure that satisfactory off-street parking/manoeuvring areas are provided, in the interests of highway safety and the free flow of traffic and in accordance with Core Strategy Policy CSP 26, New Development and Highway Improvement.

Stephen Moralee

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

4 No development shall take place until there has been submitted to and approved in writing by the Local Planning Authority, full details of both hard and soft landscaping works, including details of the species, positions and planted heights of proposed trees and shrubs; together with details of the position and condition of any existing trees and hedgerows to be retained. The approved hard landscaping details shall be implemented prior to the occupation of the building.
Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP 36, Biodiversity and Geodiversity.

5 All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which die within a period of 5 years from the completion of the development, are removed, or become seriously damaged or diseased shall be replaced in the next planting season with other of similar size and species, unless the Local Planning Authority give written consent to any variation.
Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP 36, Biodiversity and Geodiversity.

6 Any visibly contaminated, noxious or odorous material encountered onsite during the development work must be excavated and stockpiled at the site. The Local Planning Authority must be informed immediately, and information on the nature and degree of contamination of this material will be required. Details of the appropriate measures to prevent any pollution shall be submitted to and approved in writing by the Local Planning Authority. The development shall then proceed in strict accordance with the approved measures.
Reason: To protect the water environment and ensure that the remediated site is reclaimed to an appropriate standard and in accordance with Core Strategy Policy CSP 39, Contaminated and Unstable Land.

7 All surface water run-off shall be collected and disposed of within the site and shall not be allowed to discharge onto the public highway
Reason: In the interest of highway safety

8 All on-site vehicular areas shall be hard surfaced and drained in an approved manner prior to the development being brought into use, to prevent mud/debris from being deposited on the public highway to the detriment of road safety
Reason: In the interests of highway safety

Reason(s) for Granting Permission

1	Existing employment policy areas - Policy CSP19	The proposal complies with Policy ED7 and CSP19 of the Core Strategy in that there is no significant impact on residential/visual amenity/highway safety and the proposal would not be detrimental to existing employment land.

Informative(s)

1 The proposed development lies within a coal mining area. In the circumstances Applicants should take account of any coal mining related hazards to stability in their proposals. Developers must also seek permission from the Authority before undertaking any operations that involves entry into any coal or mines of coal, including coal mine shafts and the implementation of site investigations or other works. Property specific summary information on any past, current or proposed surface and underground coal mining activity to affect the development can be obtained from the Coal Authority. The Coal Authority Mining Reports Service can be contacted on 0845 762 6848 or at www.coal.gov.uk.

2 The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore the consent of all relevant landowners is required before proceeding with any development including that of the Council as landowner.

If it should transpire that the applicant does not own any of the land included in this consent then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
