Dear Sir/Madam

PROPOSAL: Spoil tip reclamation scheme involving importation of soils and composting facility
LOCATION: Former Woolley Edge Colliery, Woolley Edge Lane, Woolley, Wakefield, West Yorkshire, WF4 2LS

I have received amendments to this application and am writing to give you a further opportunity of re-examining the plans and to make comments if you wish.

You may look at the application and plans in the following ways:

- Online using our *PublicAccess* system from your home or any of our libraries http://planning.wakefield.gov.uk\publicaccess
- Or in person at the Planning Services offices, Newton Bar, Wakefield during office hours, Monday to Thursday 8.30 - 5.00; Friday 8.30 - 4.30.
  Directions can be found on the Council's Web-site

Please make any observations **by 28 September 2009. If your comments are received any later, you should be aware that the application may have already been determined.** All comments will be given careful consideration, but it should be noted that the Council must weigh any comments received alongside all the relevant planning considerations in making a decision. You should not assume therefore that an objection will necessarily mean that an application will be refused. You should make your comments in writing, either by using the comments functionality via our *PublicAccess* internet system, by emailing devcontrol@wakefield.gov.uk or by post.

Please quote the application number 09/00787/MIN in any contact with us.

If you feel it is necessary to meet the Planning Officer, you will need to make a prior appointment.

Please note that any written comments cannot be treated in confidence because of the provisions of the Local Government (Access to Information) Act 1985, which allows for all observations received being open to the public for inspection. Please be aware that all comments submitted by you are a matter of Public Record and will be scanned and placed on our website for inspection by the public. Therefore,

- **DO NOT** include your signature
- **DO NOT** include your phone number
- **DO NOT** include any other information you are unwilling to publish on the Internet
- **DO** include your surname, initials and address

Beacon Authority 2006-2007 Positive Youth Engagement (in the Community and Democratic Process)
Beacon Authority 2006-2007 Delivery of Quality Services Through Procurement
Beacon Authority 2009-2010 Strategic commissioning

You should only submit your comments about an application if you agree to these conditions.

If you are in private rented property, please make sure the owner is aware of the proposal.

Yours faithfully

Mike Pinder
Minerals Officer
