Barnsley, S71 2EQ

Permission is granted for the proposals which were the subject of the Application and Plans registered by the Council on 23 April 2009 and described above.

The approval is subject on compliance with the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.  
**Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.**
- 2 The development hereby approved shall be carried out strictly in accordance with the plans and specifications as approved unless prior written consent has been given by the Local Planning Authority to any variation.  
**Reason: In the interests of the visual amenities of the locality and in accordance with UDP Policy BE6, Design Standards.**
- 3 No development shall take place until full details of the proposed external materials have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.  
**Reason: In the interests of the visual amenities of the locality and in accordance with UDP Policy BE6, Design Standards.**

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

Signed *Stephen Moralee*  
Assistant Director, Planning and Transportation

Dated 01 June 2009

4 No development shall take place unless and until;

(a) details of the foul and surface water drainage have been submitted to and approved in writing by the Local Planning Authority. Thereafter no part of the development shall be occupied or brought into use until the approved scheme has been fully implemented. The scheme shall be retained throughout the life of the development unless otherwise agreed in writing with the Local Planning Authority.

(b) porosity tests are carried out in accordance with BRE 365, to demonstrate that the subsoil is suitable for soakaways

and

(c) Calculations based on the results of these porosity tests to prove that adequate land is available for the construction of the soakaways.

are all approved in writing by the LPA.

**Reason: To ensure the proper drainage of the area.**

5 Prior to the occupation of the dwelling hereby approved, the parking and manoeuvring area within its curtilage shall be surfaced, sealed and drained.

**Reason: To ensure that adequate car parking accommodation is available and in accordance with UDP Policy T2A.**

6 Nothing shall be erected or planted within a strip of land 2.0 metres deep measured from the channel of Spring gardens along the entire frontage that exceeds 1.05 m in height above the adjacent channel.

**Reason: In the interests of highway safety.**

7 Pedestrian intervisibility splays having the dimensions of 2 m by 2 m shall be safeguarded at the drive entrance/exit such that there is no obstruction to vision at a height exceeding 600 mm above the nearside channel level of the adjacent highway.

**Reason: In the interest of road safety.**

8 Prior to commencement of development details of boundary treatments shall be submitted to and approved in writing by the Local Planning Authority. The approved details shall be installed prior to occupation of the dwelling and retained as such thereafter, unless otherwise agreed in writing by the Local Planning Authority.

**Reason: In the interest of visual amenity.**

9 Vehicular and pedestrian gradients within the site shall not exceed 1:12 to ensure safe and adequate access.

**Reason: in the interest of highway safety.**

#### **Reason(s) for Granting Permission**

1 Infill/backland development

## **NOTES:-**

### **Appeals to the Secretary of State**

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

### **Purchase Notices**

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

### **Compensation**

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
