A. JONES. AT 35 MIDDLECLIFF LANE, MIDI

We, Alan Jones and Maxine Jones now of 14 Birk Road, Kendray, Barnsley confirm that we have been advised by our Solicitor Penny Burgess to have a Local and Mining Search and Environmental Search on the land we are purchasing at adjoining 37 Middlecliffe Lane, Little Houghton, Barnsley. We have decided not to have a Local and Mining Search against the advice of Penny Burgess.

We also confirm that we have been advised by Penny Burgess to ensure that we have got correct planning permission to build on the land and also that once we start building we must insure the building work and once this is completed the property.
