Details of the pre-application advice received

This will require a pre-app as we remain very busy at the moment and a separate LBC and Advert Consent will be required for the proposals (signage – advert consent). Following a very brief review this looks like it could be acceptable but without the pre-app I can't confirm the detail of this or likely required methods, materials or possible amendments.

Interest In the Land

Does the applicant own the land or buildings where the adverts are to be placed?

Yes

No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

Yes

No
