No dimensions to be scaled from this drawing which is the property of the company. It is not to be used or disclosed in any way except as authorised by the company
THE COMPANY WILL NOT ASSIGN COPYRIGHT TO ANY THIRD PARTY
The client is responsible for providing architect with correct site information and dimensions and any contours or easements relating to the site. Architect will assume site boundaries as clearly defined, unless otherwise informed by client.
No work to be carried out without planning permission, until all pre start planning conditions have been discharged and until a building regulations application has been submitted.
Any work carried out before building regulations approval has been granted will be strictly at clients own risk.
Any building works within 6m of a neighbouring home's foundations may require the client to notify the owner of that property of your intentions at least one month before you start work.
Work to an existing party wall requires you to give at least two months notice of your intentions. If consent to carry out work cannot be reached procedures dealing with an dispute will be followed (the party wall act 1996).

**CAD DRAWINGS WILL NOT BE ISSUED
TO ANY THIRD PARTY**
