Dear Madam,

Re: Proposed 2 Storey Extension to Side.
At: 2 Yvonne Grove, Wombwell, Barnsley. S73 8NA.
For : Mr. J. Wales.
Application No: 2010 / 0804.

Further to our recent telephone conversation regarding the above, please find attached duplicate copies of information as listed below now amended as discussed, namely;

i) Due to the existing roof structure being out of alignment, as discussed, in order to ensure the side elevation does not look strange, we have incorporated diminishing lats fixed on to the front side of the proposed trusses, effectively maintaining the proposed extension front roof in alignment with the existing front roof;

ii) The roofing materials will then be matching Rosemary tiles as opposed to the Marley Modern approved – take note that these Rosemary tiles will be re-claimed from the existing rear elevation ensuring matching weathered effect, then new Rosemary tiles will be provided to the full rear elevation;

iii) The extension ridge line will remain lower then the existing ridge together with the set down to the rear pitch with lead flashing.

Information attached as listed below;

Property as Proposed. Dwg. No: 722-03 rev.C

We hope the attached is to your satisfaction and retain this information on your records.

Assuring you of our best attention at all times.

Yours faithfully,

Garry G. Greetham.
