

Mr Leyton Ashmead
Quality and Training Expert
Tadano UK Ltd
14 Hikers Way
Crendon Industrial Park
Long Crendon,
HP18 9RW

To whom it may concern.

I, Leyton Ashmead, do solemnly and sincerely declare the following.

I have been employed by Tadano UK Ltd since January 2009 but worked for the company as a subcontractor prior to this and worked at the Wentworth Way (Unit 1-4) site from July 2006 until March 2021 – the site edged in red on the attached OS location plan.

The Tadano UK business imports and sells new mobile cranes from its parent company in Germany. Tadano UK also provides engineering services and parts supply to the UK market.

I can confirm the area of land hatched in blue on the OS location plan accompanying the Certificate of Lawfulness application has been used for the outside storage of mobile cranes, testing equipment and spare parts in connection with the Tadano business over a minimum continuous period of 10 years between July 2006 and March 2021. The company vacated the premises in March 2021, but still own the site and it has not been used for any other purpose in the meantime.

I make this solemn declaration conscientiously believing the same to be true, and by virtue of the provisions of the Statutory Declarations Act 1835.
