

PLANT SCHEDULE

The specification of native species trees will ensure that they are better adapted to local conditions found in Barnsley. They will assist in enhancing the areas local biodiversity by attracting various birds and insects.

SPECIES NAME	SIZE	NOTES
Tree Species		
Quercus rubra	10-12cm	Bareroot Standard - Selected
Sorbus aria	12-14cm	Bareroot Standard - Selected
Betula pendula	12-14cm	Bareroot Standard - Selected
Prunus avium 'Plena'	12-14cm	Bareroot Standard - Selected
Sorbus aucuparia	8-10cm	Bareroot Standard - Selected
Malus 'John Downie'	8-10cm	Bareroot Standard - Selected

Formal Hedgerow

Formal compact box hedging to define boundary lines between private and public property.

SPECIES NAME	SIZE	NOTES
Shrubs		
Fs Fagus sylvatica	20-30	Containerised, planted as a single row
Pl Prunus laurocerasus	60-90	Containerised, planted as a single row
Tb Taxus baccata	90-120	Containerised, planted as a single row

Deeper shrub borders will allow for beds of larger shrubs, chosen for their compact form and traditional appearance. This will enable manageable maintenance and a gradual transition from the surrounding context into the developments bespoke character.

SPECIES NAME	SIZE	NOTES
Shrubs		
Ap Acer palmatum var. dissectum 'Green Globe'	C3 30-40	
Al Amerlanchier lamarkii	C3 30-40	
Af Aster x frikartii 'Munch'	C3 20-30	
Bd Berberis darwinii	C3 30-40	
Bt Berberis thunbergii	C3 30-40	
BB Berberis 'Baby Doll'	C3 30-40	
Bc Berberis cordifolia 'Purpurea'	C3 20-30	
Bp Berberis purpurascens	C3 30-40	
Cr Centranthus ruber	C5 40-60	
Ca Cornus alba 'Aurea'	C3 20-30	
Ef Euonymus tortunei 'Emerald 'n' Gold'	C3 30-40	
ES Euonymus tortunei 'Silver Queen'	C3 20-30	
Fj Fatsia japonica	C3 40-60	
HA Hebe 'Autumn Glory'	C3 20-30	
HP Heuchera 'Palace Purple'	C3 20-30	
Kc Kniphofia caulescens	C3 30-40	
La Lavandula angustifolia 'Hidcote'	C3 40-60	
Pt Pachysandra terminalis	C3 15-20	
Pa Persicaria affine 'Darjeeling Red'	C3 30-40	
Sn Sambucus nigra	C3 40-60	
Ro Rosmarinus officinalis	C3 30-40	
SS Senecio 'Sunshine'	C3 30-40	
VI Viburnum tinus 'Eve Price'	C3 30-40	

Informal arrangements of 1-2 species outside properties and alongside formal hedgerows. Purples, pinks and greens will create a softer, calming foreground against the darker backdrops of formal hedging and the built form. A contrast in form and texture will establish its own natural character within the development.

SPECIES NAME	SIZE	NOTES
Shrubs		
Cr Centranthus ruber	C5 40-60	
Ct Cholsya ternata	C3 30-40	
HA Hebe 'Autumn Glory'	C3 20-30	
La Lavandula angustifolia 'Hidcote'	C3 40-60	
Pt Pachysandra terminalis	C3 15-20	
SB Sedum 'Brilliant'	C3 20-30	

Specimin Shrubs

Pt Phormium tenax	C10 60-80	
Yf Yucca filamentosa	C10 60-80	

Ornamental Grasses

Df Deschampsia flexuosa	C2 30-40	
-------------------------	----------	--

Lawn

Fine, short lawn

Fescue	80%
Bent	20%

Notes

- All formal hedgerows to plot frontages to be planted in single lines, approx 25cm between plants (based on 4 per linear meter).
- All plants are indicated as containerised stock to allow planting throughout the year (excludes tree planting).
- Plant list may include but not specifically restricted to this schedule.
- Planting may be sourced at larger sizes, dependant on stock availability.
