Dear Mrs Jones,

Description: Non material amendment of 2019/1013 to widen the Northern Haul Road and alter the alignment length of the temporary bridge.

Location: Dunford Bridge Car Park, Brook Hill Lane, Dunford Bridge, Barnsley

I write regarding your application for a non-material amendment to the previously approved application (Ref: 2019/1013).

I can confirm that the amended alignment of the bridge and the increased width of the haul road are approved, as set out on plans:

- 16866-MSE-0703-XX-DR-X-B29103 Rev B, Trans-Pennine Trail General Arrangement 3 of 4;
- 16866-MSE-0703-XX-DR-X-B29141 Rev P01, Trans-Pennine Trail Diversion (TPTd) Temporary Bridge Setting Out Details; and
- 544EH-02-B General Arrangement of a 38.1m x 4.9m Retro Panel Bridge.

Notwithstanding the details shown on the above the solid parapets shall be 500mm in height rather than the 1.8m high solid hoarding.

If you require any further information on the above, please do not hesitate to contact me.

Yours sincerely

Hannah Andrew, Senior Planning Officer (Outer Team)
