Dear Sirs,

**Ref:- Works to 1, Spring Vale Ave., Worsborough**

Please find enclosed the amended drawings for works to the above property. They have been amended as per your request to take into account the need for the extension to be set back slightly, ie 110mm and thereby slightly reduce the height of the roof.

Could you please ensure that all further correspondence comes to me direct, as I am acting as their agent, and they are soon to be going away for a holiday.

Yours faithfully,

T.Turton
