

DESIGN & ACCESS STATEMENT

Proposed two bay extension to storage & loading bay at Kirkwood Mill, Sheffield Road, Penistone, S36 6HQ for Argo Feeds Limited.

The two bay extension to be in matching construction and materials. Roof and flank walls to be plastic covered steel box profile sheeting of dark brown colour. One bay to have a roller shutter door to provide secure storage. The extension is to provide additional under cover storage for existing materials and products currently stored externally. No increase in delivery traffic is involved.

Access

The access is via the existing vehicular entrance in Sheffield Road, Penistone.
