Electricity Act 1989: Overhead Lines (Exemption)(England and Wales) Regulations 2009

It is proposed to undertake the following work that is considered to be exempted from the Electricity Act 1989 by falling within the Overhead Lines (Exemption)(England and Wales) Regulations 2009:

Barnsley - erect aerial bunched conductor at various locations, Barugh Green.

Particulars of proposed development to be completed by Applicant:

As part of the ongoing improvement works to our overhead electrical network in the Barnsley area it is proposed to erect approx 725 meters of aerial bunched conductor (wire) upon the existing overhead electric line (see attached photo example). I have attached a copy of drawing number YP13147 showing coloured Red the existing section of overhead electric line upon which new conductor will be erected. These works are deemed as minor by The Department of Energy and Climate Change and therefore fall within the exemption regulations.

The Council/Authority is requested to indicate that it has no objection to the work being carried out by returning two copies of this Form with the Certificate completed and signed.

Yours Faithfully

For and on behalf of the Applicant
