Design & Access Statement.

Errrection of five stables, tack room & storage rooms off Lady Royd Road, Silkstone common.

The land is currently a field which is a disused tip. Would like to build stables to shelter my horses in the bad weather. The layout of 5 stables is because I own 5 horses, The storage rooms are for hay, feed, rugs and other items. The layout also makes the stables sheltered from wind + weather. materials are what is sold by The company which I wish to use to build

the Stables.

The location can be accessed by car,
rail or bus as there is a station +
bus stop less than a 2 minute walk away
