

Dear Sir,

12th August 2025

Re : Proposed Single Storey Extension to Rear incorporating Recessed Archway to form Garage / Store & Alterations at 211 Spark Lane, Mapplewell, S75 6AF

Planning Statement

We find it rather strange that such a simple arch proposal has caused you so much concern particularly as the proposal looks significantly better than the original 2 properties therefore on the assumption that this application may not be supported again we request that a swift refusal is issued so we can commence with an appeal ASAP because I suspect that an inspector will not be too concerned with the personal preferences of officers

Kind Regards

Michele Chamberlain
