**TOWN AND COUNTRY PLANNING GENERAL DEVELOPMENT ORDER
SCHEDULE 2, PART 24; PRIOR NOTIFICATION PROCEDURE.**

APPLICATION NO: 2011/0384

PROPOSAL: Erection of a telecommunications street cabinet. (Prior Notification)

LOCATION: Bond Road near Junction Huddersfield Road, Barnsley, South
Yorkshire, S75 1DR

I have received the forms and plans which you have submitted in connection with this application.

After examining the details of works which you propose to carry out, I am of the opinion that it is "permitted development" under the Town and Country Planning (General Permitted Development) Order 1995, and consequently prior approval is not required for the siting or design of the proposed monopole and associated equipment cabinets.

Yours faithfully

Stephen Moralee
