Introduction

The following condition survey was carried out at 9am on Tuesday 8th December 2020, in attendance with Jack Whittle and Rob Hewlett of Barnsley Metropolitan Borough Council, Highways Department.

The survey has been carried out to cover condition 20 of the outline planning permission 2018/0028.

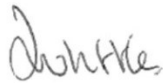

The report is broken down into 3 sections, each with a cover page showing the red line boundary of the site and the specific area 1, 2 or 3 highlighted in red. Each cover is then followed by a series of pictures showing the condition of the surrounding roads and footpaths.
